Buyer Registration

Fill out **ALL** the fields on this form, then click the "submit" button in order to apply for a Vault account. After correctly filling and submitting the form, an email will be sent to the address entered into the Contact Email field. This email will contain a URL, username and password. Click on the URL, and enter the username and password when prompted to access your new Vault buyer account.

Important: although use of digital certificate technology is a crucial part of the Vault service, you will **NOT** be asked to install a digital certificate on your Web browser until you create your first tenderbox after logging into the Vault service.
